

Deutsche Akkreditierungsstelle GmbH

Entrusted according to Section 8 subsection 1 AkkStelleG in connection with Section 1 subsection 1 AkkStelleGBV

Signatory to the Multilateral Agreements of
EA, ILAC and IAF for Mutual Recognition

Accreditation

The Deutsche Akkreditierungsstelle GmbH attests that the inspection body

MPA Dresden GmbH
Fuchsmühlenweg 6F, 09599 Freiberg

is competent under the terms of DIN EN ISO/IEC 17020:2012 as inspection body Type A to carry out inspections in the following fields:

Inspections in the production department in the area of portable fire extinguishers, mobile fire extinguishers and fire extinguishing agents as to their compliance with certain requirements;

Inspections in the production department in the area of safety storage cabinets for determining their conformity to specific requirements;

Inspection in production for certifications within the European mandatory field (EU CPR) of products or product groups:

Gypsum products, wood-based materials, floor coverings, Roof coverings, rooflights, roof windows and ancillary products for purposes subjects to guidelines on fire behaviour, internal and external wall and ceiling finishes, pipes, tanks and ancillaries not contact with water intended for human consumption as well as energy, control and communication cables

The accreditation certificate shall only apply in connection with the notice of accreditation of 20.08.2018 with the accreditation number D-IS-17819-01 and is valid until 19.08.2023. It comprises the cover sheet, the reverse side of the cover sheet and the following annex with a total of 5 pages.

Registration number of the certificate: **D-IS-17819-01-00**

Berlin,
20.08.2018

Dr. Heike Manke
Head of Division

60327 Frankfurt am Main

Office Braunschweig
Bundesallee 100
38116 Braunschweig

The publication of extracts of the accreditation certificate is subject to the prior written approval by Deutsche Akkreditierungsstelle GmbH (DAkKS). Exempted is the unchanged form of separate disseminations of the cover sheet by the conformity assessment body mentioned overleaf.

No impression shall be made that the accreditation also extends to fields beyond the scope of accreditation attested by DAkKS.

The accreditation was granted pursuant to the Act on the Accreditation Body (AkkStelleG) of 31 July 2009 (Federal Law Gazette I p. 2625) and the Regulation (EC) No 765/2008 of the European Parliament and of the Council of 9 July 2008 setting out the requirements for accreditation and market surveillance relating to the marketing of products (Official Journal of the European Union L 218 of 9 July 2008, p. 30). DAkKS is a signatory to the Multilateral Agreements for Mutual Recognition of the European co-operation for Accreditation (EA), International Accreditation Forum (IAF) and International Laboratory Accreditation Cooperation (ILAC). The signatories to these agreements recognise each other's accreditations.
